

Wall power supply

Your wall power supply for AVT cameras.

The FRIWO high-quality wall power supply is ideal use with of AVT cameras. It provides continuous 12 V DC power with short-circuit protection. Due to the set of all country mains plugs for the 15 W and 30 W versions the power supplies are usable worldwide. In countries with mains plugs which are not covered by EURO, UK and USA/Japan mains plug types, the IEC adapter with the 2-pin IEC 320 CB socket provides a standardized alternative.

Highlights

- Input voltage 100-240 V AC, 50-60 Hz
- Output voltage 12V DC (8 W, 15 W or 30 W)
- Constant voltage, current limited
- interchangeable primary adapters (15 W and 30 W version)
- Small size
- Continuously supply short-circuit proof
