

Mount any **brand** and **type** of flat panel

Mount any brand or type of flat panel to any Audipack system.

This universal mounting system allows you to fix any brand or type of flat panel to any Audipack system, with the Audipack L&S 3 and 5 feature. Both L&S 3 and 5 interfaces are fully compatible with each other, allowing panels to be interchanged for any application including rental or permanent installations.

Audipack®

It's great to have solutions...
