

## Odyssey7/7Q Sun Hood

### The Convergent Design

Odyssey Hood is a flexible three-sided sunshade for the Odyssey7 and Odyssey7Q. It attaches to the side 1/4"x20 mount sockets on the Odyssey. If there is another item such as a mount that uses these side sockets, the Odyssey Hood's bolts can be removed and the other item's bolts can be passed through the Hood into the Odyssey. The Odyssey Hood folds flat for storage and can rest atop the Odyssey within the Odyssey Case. When the Hood is folded the mounting bolts do not protrude long enough to make contact with any surface, so as not to scratch the Odyssey screen in transport.
