

EYE-WHLCD-FS-QR-65-LAND

QUICK RELEASE FRONT-ACCESS WALL-MOUNT FOR EYEVIS VIDEO
WALL DISPLAYS UP TO 65" FOR LANDSCAPE INSTALLATION

) FULL-SERVICE VIDEO WALL MOUNT FOR DISPLAYS 40" TO 65"

Modern Video wall installations require a wall-mount system that enables a fast and simple built-up. The new quick release version of our front-access wall-mounts perfectly match these requirement. The **EYE-WHLCD-FS-QR-65-LAND** is especially designed for recessed installations or completely housed video walls. With the quick-release functionality, users have the ability to articulate the display from the wall by gently pressing on the front of the display.

The EYE-WHLCD-FS-QR-65-LAND has a no-tool-required micro-adjustment feature and provides easy-access to any display, creating the ideal video wall. The custom wall plate spacers eliminate guesswork and on-site installation calculations and measurements, reducing installation time and cost. This innovative design, combined with a ready-to-install mount, makes this the fastest video wall installation. Loaded with time saving features, this Full-Service Video Mount is the ultimate video wall mounting solution.

) OVERVIEW

) THE ADVANTAGES OF FRONT-ACCESS MOUNTS

- Quick release pop out mechanism provides convenient display access in recessed applications
- Quick release can be disabled with a locking screw to prevent unintentional pop-outs
- Carriage extension force can be adjusted to accommodate the weight of the display, allowing the quick release to activate with gentle force
- Modular mount for unlimited video wall display configurations
- Custom wall plate spacers eliminate the guesswork and on-site installation calculations
- Tool-less micro-adjustments at 8 points allows the mount to overcome uneven walls to create a seamless video wall display
- Pull-out/prop-open mechanism provides quick service access
- Integrated cable management tie-backs make display-to-display cabling simple
