

XT20sx4.7BRM

1/3" eXceed Standard-Telephoto ENG Lens

XT20sx4.7BRM is a 1/3-inch ENG-Style lens that also features the newly designed ergonomic handgrip. New glass properties minimize color fringing, and a new EBC optical coating improves transmission within this lens as well. XT20sx4.7BRM is also suited for news applications, corporate videos, independent videos and wedding videographers.
