

A-CP(A)

Universal Cheese Plate and 15mm Clamp Adaptor

The A-CP(A) is a versatile aluminum cheese plate that is designed to attach to IDX V-Mount P-V2 series plates. An industry standard 15mm rod clamp is included, which is mountable on various positions of the cheese plate for fully customizable configurations. Multiple 1/4" and 3/8" screw holes are available for accessory or camera mounting.
