S7H

Features you need, Prices you want.

High Bright

The S7H is equipped with a high resolution color accurate LCD panel. At 700 nits of brightness, this makes it an ideal outdoor field or on-camera monitor.

4K Signal Capability

The S7H supports both Ultra HD (3840 x 2160) as well as DCI 4K (4096 x 2160) via the HDMI ports. With 1:1 pixel mapping and peaking, everything will stay in sharp focus.

1920 x 1200 IPS Panel

The monitor's 1920 x 1200 resolution delivers a sharp picture and the IPS technology gives you great viewing angles and accurate colors.

Inputs & Outputs

The versatile S7H is compatible with all cameras and the monitor is also equipped with both HDMI and 3G-SDI inputs and outputs. In addition, the monitor has a 3.5mm headphone output so you can easily monitor your audio.

Battery Power

The S7H includes dual Canon E6 battery plates. With the ability to use two batteries at a time, the monitor can extend its run time. Designed to use our BP5 style battery plates, the S7H is compatible with most battery styles with optional battery plates.

What's Included

- 1 x AC Adapter
- 2 x Canon E6 Battery Plate
- 1 x S7H Saga Monitor
- 1 x Screen Protection Film
- 1 x Screen Wipe
- 1 x Shoe Mount
- 1 x Sony L Series Battery Plate
- 1 x Sunhood
