

AW-IF400

Protocol Converter

- High performance pan-tilt head (AW-PH400) can be controlled by controllers (AW-RP555, AW-RP655) by using this protocol converter (AW-IF400)
- Outdoor pan-tilt head (AW-PH650) can be controlled by high performance controller (AW-RP400) by using this protocol converter (AW-IF400)

- By using protocol converter AW-IF400, control distance between AW-PH400 & AW-RP400 can be extended up to 1 000 m
- AC Adaptor AW-PS550 is required
- Maximum control distance: 1,500 m
