

AR-BB

DIMENSIONS

Weight: 1 lb / 0.45 kg

DESCRIPTION

Audio Recorder case is custom fitted to the audio recorder. Tough, Cordura nylon laminated to a closed cell foam pad provides protection to the recorder against the elements and has front pouch for two small wireless receivers or transmitters, a small mixer/mix-pre, or a small hand held microphone. A battery access panel makes emergency battery changes go smoothly. Left & right cable areas can be sealed against dust, rain, snow by inserting the cables through the punched holes in the neoprene panel seal. The suede leather shoulder strap is included.
