

# AR-FR2LE

## DIMENSIONS

Weight: 1 lb / 0.45 kg  
 Exterior:  
 8.5" x 2.5" x 5"  
 21.59cm x 6.35cm x 12.7cm

## EQUIPMENT COVERED

Fostex FR2LE

## DESCRIPTION

The audio recorder case (AR-FR2LE) provides padded, weatherproof protection around cables, LED's and switches. The front pocket (8" Lx 5" H x 1" D) is designed to hold small wireless microphones (cabling out L&R) or other accessories (spare batteries, flash cards head phones). The front pocket panel zips open (60 degrees approx.); exposing record commands and the LED. Battery changes through the bottom flap can be done on the fly without wasting time. The clear vinyl window can be sealed keeping out rain, dust and snow or can be rolled back out of the way on sunny days. The suede leather shoulder strap is included.
