CS-DC2

The Digital Camera Carrying Case protects and organizes the camera and the essential accessories. The bottom panel is reinforced with 8mm hollow core plastic, foam, and a layer of anti-skid material, which adds provides extra protection against water, dirt and grime with an easy wipe-off surface.

1" thick foam, 1000 denier Cordura Nylon with a generous coating of polyurethane waterproofing provides long lasting protection. The cradle inside is adjustable and stays where you put it to keep the camera from shifting.

This case has one large front zipper pocket with six slip pockets inside, and on the outside of the large zipper pocket is one mesh zipper pocket, on the opposite side of the case there is one large Velcro pocket with a slip pocket on the inside.
