DESCRIPTION

The Traveler Camera Case series has 1" thick foam reinforced by plastic on the front and back sides. The bottom has a no sag, hollow core base with foam padding and a foam block to help position the camera. A new non-slip bottom layer wipes clean easily and provides extra water proof protection. The armored plastic view finder protector is a typically innovative and attractive Porta-Brace® solution. The NEW zipper facing extends over the zipper to keep rain, and debris from entering. Mesh pockets, foam padded pockets (6 in all) help you organize and protect, batteries, tape stock, cable, rain cover and filters. A comfortable suede leather shoulder strap and white balance card are included.
