 JVC GY-HD100E

## PRODUCT BENEFITS

- Customizable solution
- Durable 100-denier cordura
- Engineered for professionals
- Lightweight
- On-the-go protection from rain and dust

## TESTIMONIAL

"For a documentary film company such as ours, which specializes in broadcast films generally shot in remote places, the cases you produced for us have been tremendously useful." -RG

## DESCRIPTION

The TRAVELER CAMERA CASE is specially designed to carry the new generation of small digital cameras like the Canon XL-1, JVC-GY-HD100U and the Sony DSR-200. It features full padded protection for the camera and extra protection for delicate view finders. The armored plastic view finder protector is a typically innovative and attractive Porta-Brace® solution. This version of the CTC-2 comes with a mini Quick-slicker for on-the-go protection against rain and dust. Suede shoulder strap and white balance card are included. Note: our cases are designed to securely fit your camera, some battery and lens packages may require a different case. Please contact your local dealer or Porta-Brace directly to ensure proper fit. <http://www.portabrace.com/uploads/Traveler%20Camera%20Case.swf>
