DESCRIPTION

Carry your MATTE BOX set-up, ready to use (with barn doors in place) in a safe convenient case. The case is designed for organizing all the parts of the Matte Box so it can be quickly transferred to the camera lens. With the rigid interior frame and foam padding this case provides well organized, compact, soft and shockproof protection. With the optional Porta-Brace Filter Case stowed inside, your entire Matte Box System is ready at hand. The mesh pocket inside the top allows viewing contents and is easily accessible using the sliding zippers. The pocket across the front outside, gives storage space for many accessories. The Matte Box Case is supplied with suede leather quick carry handles and the HB-10 Suede Shoulder strap.
