

MXC-X4

Porta-Brace, Inc.
 P.O. Box 220
 North Bennington, VT
 Phone: 802-442-8171
 Fax: 802-442-9118

DIMENSIONS

Weight: 3 lb / 1.36 kg

DESCRIPTION

This is a modular case, which can be paired with some of the Portabrace Audio Recorder Cases (eg. AR-7). The modular design gives you the flexibility to change the combination of equipment that each job demands. The cases are padded and custom fitted, providing access to switches, cables, batteries, and other important controls while protecting the gear from rain, snow, dust and other damaging forces. The suede leather shoulder strap and the detachable RM-Multi case are included. The optional AH-3MEMM harness/belt combination improves weight distribution and stability for improved comfort.
