PRODUCT BENEFITS

- 10% - 20% lighter than the leading hard case brand
- Double-hinged locking system for increased safety and security
- Pressure relief valve for unmatched watertightness
- Supersoft grip handles for field comfort
- Unbreakable resin body-construction

TESTIMONIAL

"It's the only way to keep our equipment in showroom condition while remaining portable and adaptable to the demanding situations that arise on a feature set or location." -AG

DESCRIPTION

Portabrace Hard Cases (models ending in "F") have a cubed-foam interior. Our hard cases are watertight, have a pressure relief valve, easy to operate latches, and a comfortable hand grip. They are constructed with a high-performance hard-resin material reinforced at the corners. Portabrace Hard Cases are ideal for video, audio, and photographic equipment transportation and protection. They are lighter than many comparable brands and save you shipping costs.
 Limited Lifetime Warranty
