DESCRIPTION

The foam is fabric lined for high durability and long life. Ridged plastic dividers help you organize your equipment. Wheeled have durable aluminum rail and a comfortable pullout hand grip. Soft pouches and pillows add a high degree of protection in a compact, well-organized manner, saving you shipping costs over the life of the case. Hard Cases are watertight, have a pressure relief valve, easy to operate latches, and a comfortable hand grip. They are constructed with a high-performance hard-resin material reinforced at the corners. A TSA lock is included. Hard cases are ideal for video, audio, and photographic equipment, transportation and protection. Please note, all purchases from Portabrace Direct are for US ship-to addresses only.
