 62.23cm x 55.88cm x 27.94cm

DESCRIPTION

Portabrace Hard Cases (models ending with 50F) have a cubed-foam interior. Wheeled Hard Cases have durable aluminum rail and a comfortable pullout hand grip. They are constructed with a high-performance hard-resin material reinforced at the corners. Wheeled Hard Cases are smooth rolling, watertight, have a pressure relief valve and have easy to operate latches. Wheeled hard cases are ideal for combining video, audio, and photographic equipment for transportation and protection.
