## DESCRIPTION

The HVX200 Wheeled Safeguard Field Production Vault Hard Cases has a custom foam interior. Wheeled Vault Hard Cases have durable aluminum rail and a comfortable pullout hand grip. They are constructed with a high-performance hard-resin material reinforced at the corners. Wheeled Vault Hard Cases are smooth rolling, watertight, have a pressure relief valve and have easy to operate latches. Wheeled Vaults are ideal for combining video, audio, and photographic equipment for transportation and protection.

## PRODUCT BENEFITS

- 10% - 20% lighter than the leading hard case brand
- Pressure relief valve for unmatched watertightness
- Smooth operating latches
- Supersoft grip handles for field comfort
- Unbreakable resin body-construction

## TESTIMONIAL

*"The cases performed flawlessly in the most difficult production environment we have ever worked in." -RG*
