### DESCRIPTION

The NEW PB-2780F Hard Case is perfect for carrying camera and accessories, lights, tripods, laptops, and more. It's big enough to protect the largest shoulder-mount cameras, but at only 19 inches tall it can still fit in a car trunk or stack 2-high in a van. The PB-2780F Hard Case has smooth-rolling wheels and comes with a cubed foam interior.

### PRODUCT BENEFITS

- 10% - 20% lighter than the leading hard case brand
- Double-hinged locking system for increased safety and security
- Pressure relief valve for unmatched watertightness
- Soft handles and sturdy wheels for easy transport
- Virtually unbreakable resin compound

### TESTIMONIAL

*"It's the only way to keep our equipment in showroom condition while remaining portable and adaptable to the demanding situations that arise on a feature set or location." -AG*
