DESCRIPTION

The NEW PB-27800RX Hard Case is perfect for carrying camera and accessories, lights, tripods, laptops, and more. It's big enough to protect the largest shoulder-mount cameras, but at only 19 inches tall it can still fit in a car trunk or stack 2-high in a van. The PB-27800RX Hard Case comes with a cubed foam interior. This case is equipped with off-road tires for easier transport to remote locations.

PRODUCT BENEFITS

- 10% - 20% lighter than the leading hard case brand
- Double-hinged locking system for increased safety and security
- Off-Road Tires for rugged locations and remote transport
- Pressure relief valve for unmatched watertightness
- Virtually unbreakable resin compound

TESTIMONIAL

"For a documentary film company such as ours, which specializes in broadcast films generally shot in remote places, the cases you produced for us have been tremendously useful." -RG
