DESCRIPTION

Set of four 4-inch Lens Cups. New Portabrace Lens Cups are a lightweight, easy-to-use, protective covers for protecting lenses and other fragile camera accessories. Lens Cups are padded with soft poly-fill and have a Nylon interior lining. The lid features a clear vinyl window to help quickly recognize contents and zippers closed for added protection. The exteriors are lined with soft Veltex® and can be easily connected to the lining of Portabrace Divider Kit interiors for added padding and stabilization of your camera. There is also an adjustable belt-loop so that the Lens Cup can be removed from the case and worn on a belt for easy access to spare lenses when shooting. **All Portabrace Direct purchases can only be made for North American orders please contact your local North American Portabrace dealer near you.**
