The RIG-BMGCP is designed to hold a Black Magic Cinema Camera and accessories. It is made from 1000 denier Cordura fabric with a new, slip-resistant, easy-clean rubber bottom. It fits the Black Magic Cinema Camera with add-on items such as wireless mics, lens, etc. It has a universal cradle, a camera tie-down strap and a soft stuff pouch to keep the camcorder stable. A plush, 1-inch thick foam pad adds extra stability and protection.

The case is stackable and has a rigid wall frame, perfect for use as production cases. A detachable 15" microphone pocket, CS-B9 zippered stuff sack, heavy-duty suede shoulder strap, and white balance card are included.

This case is made in Vermont, USA.
