The RS-URSAMINIPRO Rain Slicker is a custom cover designed to protect your Blackmagic URSA Mini Pro camera from rain, dust, and snow. It is made from triple-layer, tricot-finished nylon, with touch fastener flaps and zippered openings provided for additional protection. It features clear vinyl windows so you can view all camera controls and a quick change battery back for swapping batteries without having to remove the rain slicker.

- Clear vinyl windows
- 3-ply nylon, fabuthane with soft tricot-backed protection
- Detachable front visor
- Triple zip bottom
- Quick-change battery back
- Rain-fly for extra coverage
- Tight fit around lens hood
- Grip material around lens hood
- Camera remains tripod mountable
