DESCRIPTION

The Tripods Mummy case is a padded lightweight case for carrying fluid head Tripods. It is a trim case which protects Tripods and at the same time makes for easier carrying. A newly developed wooden handle with padded grip makes for very comfortable hand carrying and balance point adjustment. Backpacking shoulder straps are provided for hands free carrying. The backpack straps are stowed in a hidden envelope on the rear of the case. Interior case lengths: 35, 38, 41, 46 or 50 inches. Padded stuffers of 1", 2" or 3" can be added for closer fit.
