

TSB-46BOR

DIMENSIONS

Weight: 10.25 lb / 4.65 kg
Interior:
46" x 12" x 9"
116.84cm x 30.48cm x 22.86cm

DESCRIPTION

This New Tripods SHELLPACK is a padded case with an armored interior shell. The case is very rugged and can be used for everyday field work or withstand the rigors of extensive travel. It is a real alternative to heavy, unforgiving freighter cases. The case gives a distinct advantage over traditional cases by providing lightweight durability, secure padded protection, and convenient internal and external pockets. Interior tie downs and cushioning provide secure protection for your valuable equipment.

EQUIPMENT COVERED
