TESTIMONIAL

"The whole inside of my van is Porta-Brace-blue!" -DK

DESCRIPTION

The Porta-Brace® WHEELED CASES are for transporting all kinds of heavy loads for studio, audio, video and film equipment. The cases are designed to be used for handling gear on location as well as transporting apparatus to the job site. They are constructed of a strong ridged interior frame covered with 1,000 denier Cordura® nylon fabric, with padded protection all around. Wheels with long axles for good tracking. The WRB-30R includes 2 sewn-in, fold-down dividers for secure storage.

 Now Includes LI-GLW Light Strip
