STAGEPRO PRESIDENTIAL TELEPROMPTER (SINGLE) - SERIES

The StagePro 15" Presidential Single is ultra adjustable with easy, tool-less set-up. All PrompterPeople monitors are self-reversing* for easy prompting. The lightweight, long life LED backlit display offers a bright 400 nit image (nit is the unit of visible-light intensity), High Bright monitors for outside use are available. Both HighBright and Regular monitors can display prompting with either the included PC and Mac software or with any presentation software such as PowerPoint or Keynote. A durable flight case is available as an upgrade.

- Fast, easy setup with necessary cables and hardware
- Custom designed rugged hardware for best stability
- Easily readable to over 17 feet
- Mac and PC software included
- Adapter available for iPad
- High Bright monitors available for outside use

Partial Product Highlights

Beamsplitter

- 60/40 is standard, 70/30 available as a no-cost option
- *(1) Beamsplitter size 14" x 12", beveled edges for safety
- Ultra clear, low iron glass eliminates color shift
- Antireflection coatings prevent glass reflections

Monitor

- 17" diagonal
- Built-in reversing
- VGA, HDMI composite inputs
- LED backlit

- AC adapter included, battery operable

*Self-reversing. The display of the text's reflection in glass reads backwards. all PrompterPeople Monitors reverses the text so it is readable without the cumbersome process of adjusting your computers setting which cuts out un-needed additional steps and gets you prompting faster.
