

PB-760S

Pro-Sound Speaker, 150/60 W, 100 V, 2-Way-System, black

Description

Description

These professional and high volume PB-series cabinet speakers are ideal for PA systems. They offer an attractive design, best speech reproduction and perfect music performance.

The speakers have a 8" full range woofer, a 25 mm Dome Tweeter, and a bass pipe, which is integrated into a professionally fitted cabinet.

The speakers can be used in- and outdoors as they have a "Butyl Rubber Suspension." They are an excellent component for sound systems in assembly halls, congress and dance halls, gymnasiums, events, etc.

Features

- The trapeze shape allows mounting in corners and at various angles. Small feet on the case bottom make it possible to stand this speaker on a table etc.
- The speaker-leads connection is very easy with 2 clamp clips.
- The speakers can be mounted in- and outdoors.
- There is a hidden impedance selector on the back panel with 4 x 100 V and a 1 x 8 ohms position. As there is a fitted high quality 100 V matching-transformer, there is no reduction of the sound pressure or playback quality.
- The grille can be taken off.
- The speaker's shape and construction are excellent for the use in sound hanging lamps.
