
RLP-001

19" Empty Housing, 1 RU

Description

Description

These 19" blank panels made of 1.3 mm steel serve to fill empty spaces in 19" rack cabinets. The blank panels are flanged on top and bottom to increase strength. They may also be used for custom fabrication.

Features

- The 19" blank panels are finished in black powdered coat.
- The panels are available in 3 different heights
