

SC-106

Ceiling Speaker, square, 15/6 W, 100 V, white

Description

Description

This speaker has the most modern and easy fitting method, a quick fastening clasp. It sets new standards in security and easiness. Four screws to mount or dismount and lifting off the grille (with a screwdriver) is all that is necessary.

The installation frame is made of high-quality plastic, the grille of coated steel. The construction is burgle proof and impact resistant.

Features

- Modern, discreet design with a rim of approx. 2 mm.
- A high-quality wide band 5 1/4" chassis is used with an integrated high tone cone.
