

**LCS-G1BP**

Soft Carry Case

This sturdy yet soft carrying case is ideal for carrying your HDV camcorder. It will accommodate the HDV camcorder even when equipped with the standard microphone, and it still has room for

such accessories as the wide conversion lens and battery charger. Also, the interior is a vivid yellow colour, making it easy to find cables, lenses etc in low-light situations. Case dimensions comply with standard carry-on regulations for international air flights.
