

Vario-Tessar T\* FE 16-35mm F4 ZA OSS

SEL1635Z

## Wide-angle zoom, ZEISS quality and pop

This full frame E-mount 16-35mm ZEISS Vario-Tessar zoom offers outstanding performance in a compact, lightweight package. A versatile zoom range coupled with built-in optical image stabilization makes it a great choice for snapshots, indoor scenes, group shots, landscapes, and more, especially with a full-frame α7 series body. A constant F4 maximum aperture facilitates exposure and depth-of-field control.

## Lens Configuration

Legendary ZEISS quality manufactured and calibrated specifically for Sony imaging products. The T\* coating contributes to exquisite rendering and contrast.

# MTF Chart

MTF (Modulation Transfer Function) describes how well a lens can reproduce fine details, measured as the degree of contrast achieved between finely spaced lines.
