

Camtasia®/Snagit® Education Bundle

- Free Upgrades - All majors and updates
- Priority Support - Dedicated phone queue & expedited handling
- Volume Benefits - Cumulative discount with 5+ and same key

Buy Camtasia and Snagit together to save! Snagit helps you create remarkable visuals, reduce wasted time, and share important information. Easily capture or record your screen, and then customize your image captures with Snagit's wide array of tools and effects. If you need more video power, use Camtasia to record a video of your screen or bring in your own video. Then, use Camtasia's drag-and-drop editor to quickly add eye-catching animations, music, and captions. With Camtasia, you'll be able to produce stunning videos without being a professional video editor.
