Interchangeable Mount (BMCC MFT) converts your Blackmagic Cinema Camera 2.5K MFT to an interchangeable mount compatible with our **PL Mount (Epic/Scarlet)** (</Product-p/175900.html>). The interchangeable mount is also compatible with RED brand Epic/Scarlet lens mounts which, by use of adapters, allows you to mount PL, Nikon, Canon, Leica, and BNCR glass on your camera (even more mounts may be available). These other types of mounts are available through RED.com or various third parties. Wooden Camera is also planning to introduce a line of lens mounts in the near future. Note that when using RED lens mounts, electronic control of the lenses will not be available.
