Micro Cage (BMMCC, BMMSC) provides a form fitting cage for the Blackmagic Micro Cinema Camera and Blackmagic Micro Studio Camera. It attaches by two screws on the bottom and one screw on the top making it extremely secure. There are multiple mounting points on all sides allowing easy attachment of a tripod plate, accessories, or other production rigging. Batteries can be easily installed and removed and access is available to all ports and buttons.

Combine with **15mm Base (Micro, Pocket)** (</Product-p/168900.html>) for lightweight 15mm support.

Features:

1/4-20 holes - in standard spacing (9mm center to center)

3/8-16 holes - for larger accessories and tripod mounting

ARRI Standard Accessory Mount - for attaching **Universal Offset Bracket** (</Product-p/199700.html>), **Microphone Shock Mount** (</Product-p/199900.html>), and **Universal Hot Shoe** (</Product-p/199800.html>).

Includes: (3) 1/4-20 x 3/8" screw

SPECIFICATIONS:

Weight: 181.4 g (.5 lbs)

Dimensions: 38.1 x 127 x 139.7 mm (1. x 5 x 5.5 in)
