Canon C200, C200B, C300mkII Power Flying Leads (Straight, 24") is a straight LEMO compatible power connector to flying leads with 24 inch cable (.6 meters) that allows you to wire custom power solutions for the camera. Wiring should be done by electrical engineer and triple checked prior to use. Wooden Camera, Inc. will not be held liable for faulty wiring or misuse.

Connectors used in this assembly are not manufactured by LEMO but are made to the same specifications and are LEMO compatible.
