Wooden Camera Handgrip (Right) is an ergonomic wooden handgrip, carved from a solid piece of Sapele wood which is similar to Mahogany. Attaches by ARRI standard rosette and M6 threaded thumbscrew. It is possible to add start/stop trigger by purchasing the **Trigger Box** (/Product-p/219500.html). **Left Hand** (/Product-p/219400.html) version is also available!

For attaching directly to rods, consider the **15mm Rod Clamp To ARRI Rosette** (/Product-p/220000.html) and **19mm Rod Clamp To ARRI Rosette** (/Product-p/220100.html). Other useful items include the **Rosette Arm** (/Product-p/150600.html) and **Rosette Arm (Short)** (/Product-p/176500.html) which position the handgrip further out in front of you and the **Rosette Spacer Standoff (Small)** (/Product-p/220200.html) and **(Large)** (/Product-p/220300.html) for spacing grips off the camera body.
